

Expression of interest for one full time postgraduate personnel

In the context of the HORIZON-WIDERA-2024-ERA-01 (Enhancing the European R&I system) project “*INCLUDE -Fostering INCLUsive biomeDicine gEps in research and higher education institutions*” we are offering one full time position for 15 months to collaborate with the [IMBB-Gender Equality Group \(IGEG\)](#) to promote and implement innovative and inclusive measures in BioMedical Institutes.

We are looking for an enthusiastic postgraduate personnel in life or social sciences, with excellent writing and presenting skills in English, willing to contribute in a collaborative and sharing spirit within a vibrant European network: partners are Smart Venice, University College of London, University of Hasselt, University of Coimbra, National Institute of Chemical Pharmaceutical Research & Development - ICCF, MEDIREX, PRISMA, Barcelona Institute for Global Health, Vytauto Didziojo Universitetas and Riga Stradins University. She/he will be involved in the assessment and appraising of existing gender and intersectional challenges/inequalities, the development and execution of inclusive pilot initiatives and contribute to the networking and multiplying effect of the knowledge created and shared within the project activities.

Previous experience and interest in gender-related issues and soft-skill training will be positively evaluated.

Expected start date 1st April 2025.
